YOU COULD EARN A FREE BOOTH!**

You don't want to miss this remarkable event! If you have attended before, you know just how unique, exciting and well-attended the Cordova Festival is. Vendors and buyers alike find the location ideal. Held in the historic 1913 Cordova School and the surrounding eight shady acres, the Festival draws huge crowds. In addition to the hundreds of arts and crafts exhibits, businesses featuring home improvement, communications equipment, financial services, etc. will have exhibits as well. Also, the Festival is offering vendors the chance to earn a second booth FREE! Each vendor who reserves and pays for a booth can earn a second booth outside at no additional cost by referring a new vendor who buys a booth at the Festival. Booths are assigned on a first-come, first-served basis, so don't delay - register today! And be sure to tell your friends!
